Section Title: The Skylark Promise: Inspiring Freedom, Hope, and Joy

The Skylark, renowned for its beautiful song during flight, inspires freedom, hope, and joy. This vision of the Skylark inspires us to create creative senior care options empowering families and their loved ones to experience the Skylark's freedom, hope and joy.

We care for amazing individuals. They are teachers and Veterans, mothers and daughters, fathers and sons. *Their stories inspire us.* Therefore, at Skylark Senior Care, we work with each family and their loved one to create a personalized care program that focuses on treatment and activities in the center and at home.

We promise to deliver creative solutions that inspire freedom, hope and joy.

Section Title: Skylark Adult Day Centers

Art suggestion:

The day center is where we welcome our seniors who are ready for another day of freedom and joy with engaging activities, delicious food and excellent healthcare support.

There is joy, and the center is alive with activity. Seniors are exercising, creating art and dancing. They are solving puzzles and playing sports. Laughter fills the halls.

There is freedom as we explore Atlanta with picnics, bowling, and trips to local landmarks. Our wheelchair-equipped buses and specially-trained staff enable all to explore easily and with dignity.

There is hope. Our families come to appreciate and rely on the expertise of our nursing staff, both in the center and at home. We take care of the many details involved with caring for a senior by offering transportation, beauty, bathing, and therapy services.

Section Title: Skylark at Home

With Skylark Home Care, our caregivers travel to clients' homes to provide care services and living assistance, allowing seniors the freedom to live independently. Let us help provide companionship in the home, personal care in the restroom, food preparation, and light housekeeping for your loved one.

We provide home care in many types of delicate situations, including:

- transitioning home after a hospital or rehabilitation stay
- respite care, or a short break away from caregiving duties
- memory care for seniors with Alzheimer's disease or dementia

Life doesn't happen on a schedule, neither does the aging process. Allow us to provide you *freedom* and *hope* by being your trusted resource in and outside the home so that you can focus on the important things, like birthday parties!

Scheduling is easy, whether you need assistance for a few hours each week or all day every day.

Section Title: Transportation

As part of our mission to create innovative care programs that improve the lives of seniors and those who care for them, we offer transportation to and from the center, as well as off-site appointments, allowing you the freedom to focus on other important things, like birthday parties!

Our wheelchair-accessible vans are an ideal solution for daily travel, or in an emergency.

Section Title: Affordable Senior Care Options

Our families find caregiving success by using either the Adult Day Center or Home Care, or a combination of both. Letting us help carefully manage caregiving resources, helps us create a plan of care that is often more affordable and personalized than a high-quality assisted living facility.

Most services are paid for privately; however there are a variety of sources for financial assistance and we are happy to assist you in identifying appropriate funding options.
